Call For Entries

This first-time event will promote and showcase students' work in 2D and 3D animation and dynamic motion graphics. The Animators Ball is open to Sacramento area Community College and High School students.

Each participating school will submit a reel (up to 10 minutes long) representing individual and group student work from the past two school years (06-07, 07-08).

Deadline for submission of reels is Monday, May 5 at 5pm.

Each school should designate a faculty representative to organize and produce their reel, and communicate with the GCOM@SCC organizers.

This event is also being promoted by ADAC (Sacramento Art Director's & Artists Club) and will be attended by many area creative professionals.

To get involved, please contact Don Button at Sacramento City College: 916-558-2415 or e-mail to buttond@scc.losrios.edu.
